GOLDEN DRAGON

FANTASY GAMEBOOKS

This is a fantasy adventure with a difference. YOU are the hero! A sword, an enemy, and lots of gold are all you need to conquer an epic quest. Success and total victory—or failure and bloody death—depend on the decisions YOU make. Choose your fate, and change it.

Reveal the truth and discover the secret power of the sword for the price of the book! Start your adventure, and choose your path. The world of *Dragon Quest*, gathering these books together, stands as a testament to the fact that the power of a sword can lead to both a happy and a sad ending. It is up to you to decide which path to choose—but you can't win the world of the sword and shadow, or any prize, except death. Will you be the hero of the world?
